

When to use the Clinic

**If you have any painful condition,
From arthritis, over use injury, postural
Problems and spinal problems.
If you wish to have an alternative
Treatment for any of these conditions,
As well as any gynaecological /
Menopausal problems, migraines,
Hay-fever, headaches and
Stress-related conditions such as
Insomnia, then a course of
Acupuncture can help.**

The Clinic

**The clinic is a private clinic, independent
Of the NHS and is run by an experienced
Chartered Physiotherapist.**

Assessment & Treatment

**You will be individually assessed
and fully informed about treatment
proposals and involved in any decisions
made. If you wish, you may be
accompanied by a relative or friend.**

Cost

**The first assessment will last 45 minutes
And costs £35.00. The subsequent
Appointment will last 30 minutes
And costs £30.00.**

**The physiotherapist accepts self-referrals
And referrals from Private
Health Insurers excluding BUPA.
It is advisable to check with
Your insurance company first**
